Christ Healing the Blind, ca. 1570

This image by the famed artist, El Greco (Domenikos Theotokopoulos), illustrates the Gospel account of Christ healing a blind man by anointing his eyes.

The past year has highlighted the urgent need for healing—physical, spiritual, emotional—in ourselves and in our world. As our world struggles to heal, complete healing is not possible without Jesus as the Divine Physician. When our souls heal, all heals, despite our suffering.

The words we pray at Mass, “*Say the Word and My Soul Shall be Healed*”, have the power to remind us of, to open our eyes to, the healing that Jesus offers us in the Eucharist which is essential, eternal, and ever open to us. We humbly ask him to say the word, and with that prayer, we have faith that, with the fantastic and improbable prospect of Jesus entering under our roof, our souls shall be healed.
