**Reflection Question for the Third Sunday of Lent**

\* **Personal Lenten Commitment:**  
 Lent calls us to introspection and conversion. Reflect on areas of your life that may be overshadowing your relationship with God. Are there specific habits, such as excessive use of technology, certain lifestyle choices, or even negative thought patterns, that you feel called to change? Identify concrete actions you can take to simplify your life and focus more on God, such as fasting from certain foods, dedicating specific times for prayer, or engaging in acts of service. How can these practices help you to turn back to God with your whole heart this Lent?

**Altar Flowers**

**For the terminally ill**  
 We pray that those with a terminal illness, and their families, receive the necessary physical and spiritual care and accompaniment.

John Paul II further said, "Because St. Joseph is the protector of the Church, he is the guardian of the Eucharist and the Christian family. Therefore, we must turn to St. Joseph today to ward off attacks upon the real presence of Christ in the Eucharist and upon the family. We must plead with St. Joseph to guard the Eucharistic Lord and the Christian family during this time of peril."
